

GOVERNOR ARNOLD SCHWARZENEGGER

June 2007

Newhall Coffee Roasting Company
Valencia, California

I am delighted to extend my appreciation for the generous and thoughtful donations you have made to our troops in Iraq.

There are few deeds more rewarding or beneficial than providing a taste of home to those who are serving our country abroad. I commend your fantastic initiative to ship thousands of pounds of free coffee to servicemembers in Iraq. The delicious cups that they make from the packets you provide boost their energy and their spirits.

I thank your workers, customers and founders Kyle and Mitch McMullen for their exemplary support of our troops. Their generosity and patriotism is an inspiration to all Americans, as well as to all freedom-loving people throughout the world.

Please accept my best wishes for every future success.

Sincerely,
